Welcome

Welcome to the 20th Annual Juried Regional Exhibition. Each year the council is pleased to offer this exciting exhibition opportunity to the artist residing in our region. The Southwestern Pennsylvania Council for the Arts, Inc. endeavors to expand awareness of the exhibition to artist residing in the 19 county area. The accepted works reflect the freshness and energy in the art of emerging artists as well as current works of established artists.

Now celebrating its 20th anniversary, the Southwestern Pennsylvania Juried Art Exhibition was initiated in 1996 in response to the Greensburg Area Cultural Council's mission to support visual artists in our area.

Following standards of quality exhibitions throughout the nation, the first exhibition was held at the Westmoreland Museum of American Art in Greensburg, PA; other sites have included Southern Alleghenies Museum of Art in Ligonier, the St. Vincent College Gallery and Indiana University of Pennsylvania. The exhibition continues to grow in response to artists' needs, becoming the prestigious exhibition it is today.

The Council would like to take this opportunity to thank our sponsors and patrons (listed on page 20) without whose generosity and assistance it would not be possible to present this exhibition year after year.

Enjoy the show and congratulations artists.

EXHIBITION JUROR Statement

It was a great pleasure to jury the recent Southwestern Pennsylvania Council for the Arts annual exhibition.

Jurying a large group of entries is always a difficult process; there are always many worthy entries and only a limited number of works that can be accepted. This years juried show was very much that way. I was impressed with the quality of the work and the diversity of subject matter, concepts and mediums.

In the end I did my best to choose works which showed this rich variety by including something from each different type of medium. Therefore the exhibit includes paintings in oil and watercolor, drawings, sculpture and photography. There were more photography entries than I have encountered in jurying other exhibitions and I found these to be a great pleasure to look at. Alas, they could not all be accepted.

I hope that artists and viewers will feel the works accepted represent the strength of this particular community of artists.

PRIZE JUROR Statement

Congratulations to the 20th Anniversary Southwestern Pennsylvania Council for the Arts award winners. It was an honor to spend time with such diverse subject matter and mediums all of which were handled in a thoughtful way. You get to know the artistic work of our region by being a part of it. Many artists' work has been maturing over the years and that is evident from their entries.

Any one that juries an exhibition makes personal decisions based on creativity and craftsmanship. But there is something else that isn't easy to describe. Some pieces just call out and hold the viewers attention. They communicate an idea that allows us to see and think differently. Those were the award winners.
