

Welcome

Welcome to the 15th Annual Juried Regional Exhibition. Each year the council is pleased to offer this exciting exhibition opportunity to the artist residing in our region. The Southwestern Pennsylvania Council for the Arts, Inc. endeavors to expand awareness of the exhibition to artist residing in the 19 county area. The accepted works reflect the freshness and energy in the art of emerging artists as well as current works of established artists.

Now celebrating its 15th anniversary, the Southwestern Pennsylvania Juried Art Exhibition was initiated in 1996 in response to the Greensburg Area Cultural Council's mission to support visual artists in our area.

Following standards of quality exhibitions throughout the nation, the first exhibition was held at the Westmoreland Museum of American Art in Greensburg, PA; other sites have included Southern Alleghenies Museum of Art in Ligonier, the St. Vincent College Gallery and Indiana University of Pennsylvania. The exhibition continues to grow in response to artists' needs, becoming the prestigious exhibition it is today.

The Council would like to take this opportunity to thank our sponsors and patrons (listed on page 18) without whose generosity and assistance it would not be possible to present this exhibition year after year.

The Southwestern Pennsylvania Juried Art Exhibition was initiated in 1996 in response to the Greensburg Area Cultural Council's mission to support visual artists in our area. Staff members of the Council met with community volunteers from government, business, education, healthcare and the arts to build a structure that would reflect the interest of the community. Following standards of quality exhibitions throughout the nation, the first exhibition was held at the Westmoreland Museum of American Art in Greensburg, PA; other sites have included Southern Alleghenies Museum of Art in Ligonier, the St. Vincent College Gallery of Art in Latrobe, Seton Hill University and Indiana University of Pennsylvania. The exhibition continues to grow in response to artists' needs, becoming the prestigious exhibition it is today. This year the Council celebrates its 15th Anniversary of the Annual Regional Juried Exhibition.

JUROR Statement:

All juried exhibitions are subject to the vagaries of, who decided to submit work to the exhibition, the rules of submission, the pictorial traditions of the area, and the visual inclinations of the juror. Each resulting exhibition reflects the particular responses by that particular juror to those particular submissions, both to the specific works and to the range of works submitted. The individual works are not seen in isolation, but in comparison and in context with the other works in the exhibition. These juxtapositions can be interesting.

I really enjoyed jurying 15th Annual Regional Juried Art Exhibition hosted by The Southern Alleghenies Museum of Art at Ligonier Valley. I looked at each work entered with respect and careful analysis. The prize winners were submissions that had a vision or style, a point of view that went beyond simply a facility with the media. The overall quality of the work was impressive.

I would like to thank the Southwestern Pennsylvania Council for the Arts for the opportunity to juror the exhibition, and of course my thanks to all the artists who submitted work.
