

Welcome

Welcome to the 12th Annual Juried Regional Exhibition sponsored in part this year by the Pennsylvania Department of Community and Economic Development as well as many individual donors and sponsors.

Each year the council is pleased to offer this exciting exhibition opportunity to the artist residing in our region. The Southwestern Pennsylvania Council for the Arts, Inc. endeavors to expand awareness of the exhibition to artist residing in the 19 county area. The accepted works reflect the freshness and energy in the art of emerging artists as well as current works of established artists.

Now celebrating its 12th anniversary, the Southwestern Pennsylvania Juried Art Exhibition was initiated in 1996 in response to the Greensburg Area Cultural Council's mission to support visual artists in our area.

Following standards of quality exhibitions throughout the nation, the first exhibition was held at the Westmoreland Museum of American Art in Greensburg, PA; other sites have included Southern Alleghenies Museum of Art in Ligonier, the St. Vincent College Gallery and Indiana University of Pennsylvania. The exhibition continues to grow in response to artists' needs, becoming the prestigious exhibition it is today.

The Council would like to take this opportunity to thank the many sponsors and patrons (listed on page 19) without whose generosity and assistance it would not be possible to present this exhibition year after year.
