

# Welcome

**Welcome to the 13th Annual Juried Regional Exhibition.** Each year the council is pleased to offer this exciting exhibition opportunity to the artist residing in our region. The Southwestern Pennsylvania Council for the Arts, Inc. endeavors to expand awareness of the exhibition to artist residing in the 19 county area. The accepted works reflect the freshness and energy in the art of emerging artists as well as current works of established artists.

Now celebrating its 13<sup>th</sup> anniversary, the Southwestern Pennsylvania Juried Art Exhibition was initiated in 1996 in response to the Greensburg Area Cultural Council's mission to support visual artists in our area.

Following standards of quality exhibitions throughout the nation, the first exhibition was held at the Westmoreland Museum of American Art in Greensburg, PA; other sites have included Southern Alleghenies Museum of Art in Ligonier, the St. Vincent College Gallery and Indiana University of Pennsylvania. The exhibition continues to grow in response to artists' needs, becoming the prestigious exhibition it is today.

The Council would like to take this opportunity to thank our sponsors and patrons (listed on page 17) without whose generosity and assistance it would not be possible to present this exhibition year after year.

**JUROR Statement:** After more than twenty five years as a teacher, curator and artist, standing in judgment of another's work of art is never an easy under taking. In addition to judging the merits of each individual work I have been entrusted to select, I attempt to mold and create a work of art through the selection of others talent to form a cohesive collection of works we all know as an "art exhibition." There are no guidelines to follow with the exception of experience through this process which one can only hope in the end has been done with care and sensitivity. I wish to thank the artists for the honor of viewing their exceptional work, and the Southern Alleghenies Museum at Ligonier Valley and the Southwestern Pennsylvania Council for the Arts for the opportunity to participate in the jury selection process.
